ANNA NOTO
ADVERTISING & SALES REPRESENTATIVE

We’re the 2019-2020 Advertising and Sales Team. As a part of Boise State Student Media we’re here to answer any questions about the Arbiter and the Pulse. Our hope as a team is to help create a connection between the Boise State community and the rest of the Boise community. As a team we strive to create lasting relationships between Student Media and businesses. If you ever need help, we’re your go-to people!

ABOUT THE TEAM
Boise State University is settled near the heart of downtown Boise, Idaho, which has a population of over 200,000. The school is just minutes away from the Boise Foothills, and is a quick drive to Bogus Basin, the local ski hill and recreation area. Boise State is a destination for outdoor-loving students, and consistently ranks among the best universities for biking.

With an enrollment of 24,154, Boise State University is Idaho’s largest university. Boise State has been designated as a metropolitan doctoral research institution of distinction by the Carnegie Classification of Institutions of Higher Education, which was the goal of recently-retired President Bob Kustra.

The university has 200 fields of study, 260 student clubs and organizations, and the honors college has grown to over 900 students. It is home to Idaho’s largest undergraduate nursing program, and offers the nation’s only master’s degree in raptor biology.
PROFESSIONALISM & QUALITY, RELEVANCE, INCLUSIVITY, CREATIVITY & PASSION

We are home to The Arbiter and University Pulse Radio, along with our digital content, design, sales, and web/IT teams. Our vision is to be the recognizable, distinguished resource that best represents the complete scope of campus and Boise life. We are a student-run organization that produces accurate and hyper-local information through non-partisan and socially responsible media. As a team of passionate students, we value professionalism, quality, relevance, inclusivity and creativity.

Connect directly to campus and fellow students! The Arbiter’s mission is to provide accurate, relevant, and trustworthy information to the Boise State community. University Pulse Radio provides students an opportunity to engage with audiences by allowing them to give their diverse perspectives in music, campus culture, and localized views of wider topics on a reliable platform. The digital content, design, sales, and web/IT teams support these two media outlets.

We employ 25 students, support over 40 University Pulse Radio show producers, and over 20 staff writers for The Arbiter.
