TAKING IT SERIOUSLY

JUNIOR GIRLS TALK ABOUT HOW COVID-19 IS AFFECTING THEM

"The main reason we take it seriously is for my dad because he's in that range of people who are at risk. Every box, every package, anything that comes to my house, we leave it outside for a day and then my mom goes outside with gloves and Lysol's it down, then wipes it down, before it comes in the house."

"My dad has the virus so we are ordered by the doctor to stay home for 2 weeks regardless of the government. I think the media blows it out of proportion somewhat, but I can't control what they show on TV."
