

**we**

pivoted to online learning in the midst of chaos and wore our Longhorn masks through struggles and successes.

**made**

it to state competitions as a team in girls volleyball, cross country and boys swim & dive.

**the**

days felt long, and the homework nights felt longer, but TikTok trends, Instagram stories and Snapchat pics got us through the quarantine together.

**best**

of all, we got to return to the columbia blue hallways for two weeks to live a short-lived new normal. But, most importantly, we made the best

**of it**

**Victory** Celebrating after scoring a point in the state semifinals game, senior Carly Kuehl and junior Mia Catlett raise the energy on the court. The girls volleyball team defeated the Platte County Pirates and advanced to the state championship game. "Celebrating every point was a big part of volleyball. It was such a momentum sport," Kuehl said. "Our team fed off of each others' energy. This was a big point in our semifinals game and being one step closer to winning was the best feeling. The excitement took over and made me so proud of the team that we had become. Our celebrating was a major reason why we went so far." Photo by G. Radford
