THE BIG DECISION

F2F VS CONNECT

Families were given the choice between face-to-face learning or online learning via CFISD Connect using the district's new learning management system, Schoology. This created a "hybrid" learning model where teachers would facilitate learning for F2F and Connect students simultaneously using Zoom or Conferences in the Schoology platform.

IN NEED OF A BREAK

AFTER RECEIVING FEEDBACK FROM TEACHERS, CFISD INTRODUCED SEVEN REMOTE LEARNING DAYS TO THE CALENDAR TO PROVIDE TEACHERS WITH ADDITIONAL TIME FOR PLANNING. IN JANUARY, THE SCHOOL BOARD VOTED TO CONTINUE INCLUDING THE REMOTE LEARNING DAYS THROUGH THE 2021-2022 SCHOOL YEAR.

BUELLER? BUELLER?

With the inclusion of virtual learning, students were given an option that helped them attend school from, well, anywhere. Students could Zoom in while on vacation or while at home ill. This helped to increase attendance from the previous school year.
