This Saturday is a big deal. Indiana plays No.8 University of Cincinnati to a sold-out stadium. This also means there will be lots of tailgating.

If you've been tasked with hosting, it's important that you have alcoholic beverages both you and your over-21 guests can enjoy. This quiz will give you my suggestions for your pre-game liquor run.

While this quiz will only focus on alcoholic beverages, make sure you have water, soda and food for guests, too. Just be responsible and have fun!
