ANNIKA ENGLUND '22

Englund helps run @bhs_studsection. Englund informed students of future games "I think it's a really good page to have, so that everyone knows that there's a game and there can be multiple games in one night that you can go to," Englund said. *Photo by Ellie Carik*

MADELYN ANDERSON '22

Anderson manages @bhsfutureplans. She found a way to show students' achievements "[It's] more of a celebration than an official announcement, I see it more as someone's future plans," Anderson said. *Photo by Kohl Borski*

NICK GUIDA

Guida put together @bhs_bison. He wanted a page that showcases students. "I think it's an opportunity for us to really highlight and show what we wanna do, to continue to be connected as a positive environment," Guida said. *Photo by Erica Kyllonen*
