

we brought our

GAME (sports)

CHANT IT UP: Lilly Johnson (7) performs an eight count band chant routine during the football game against Ramay Junior High on Sept. 23. This was the first time the Seventh Grade Cheer Team performed a football halftime show. "I was really nervous to perform a halftime routine because I had never done it before in junior high, but we had practiced it for a really long time and we were all really excited about it," Johnson said. We were back in person and **WE BROUGHT OUR GAME!**

Masks and capacity guidelines changed, so our student sections were **PACKED**. They even had signs.

Our top conference runners, Elliana Harter (8) and Nate Rogerson (8), **FINISHED** in the top seven in every single cross country meet. The runners couldn't even use the **TRACK** since it was under construction.

The Eighth Grade Volleyball team won conference for the first time in **THREE YEARS**, with a final record of 13-2.

Football dealt with injuries, but still finished with a **WINNING** season at 9-2.
