V.40

ii

Students incorporate Instagram accounts for culinary chemistry and fine arts classes

9

Mums and garters promote school spirit and carry on important traditions, but also conversation

3

Global warming causes a more severe allergy season, and is projected to keep getting worse

p.14

Are you game?

For some it's a sport, for others its a necessary survival tool. For some it means environmental damage, for others it's population control. Either way, hunting will always be a controversial topic.
