

All in a days work

Constructing a look at student jobs, small businesses and non-profits

Top job categories that students have worked in

CHILDCARE

Nick Tabscott (12)
Kids' soccer referee
"I referee kids 2nd [to] 4th grade and help them learn the rules of soccer along the way."

Riley Kovaes (12)
Preschool aftercare program
"I really enjoyed working there because I'm thinking of majoring in elementary education."

Will Feng (11)
Summer camp counselor
"It helps people develop leadership because you have to be held accountable."

Lakshmi Madala (11)
Babysitter
"The most rewarding part is forming relationships and bonding with the children."

40 students

Panorama surveyed 132 students Oct. 22

FOOD SERVICES

Ally Smith (11)
"I did any job needed at Mcdonalds. It was stressful but I got paid well because I worked often. I enjoyed working there most of the time."

William Haybron (12)
"I work at Half and Half. I host and buss. I enjoy my job. It's hard and stressful at times but the environment is pretty positive and it pays well."

Students without a job

Will likely get a job...

Students with a non-paid job

Were instead compensated with...

Build a business

Sophomore Kayla Wallace owns a small business, Krafts by Kayla, for her crochet creations

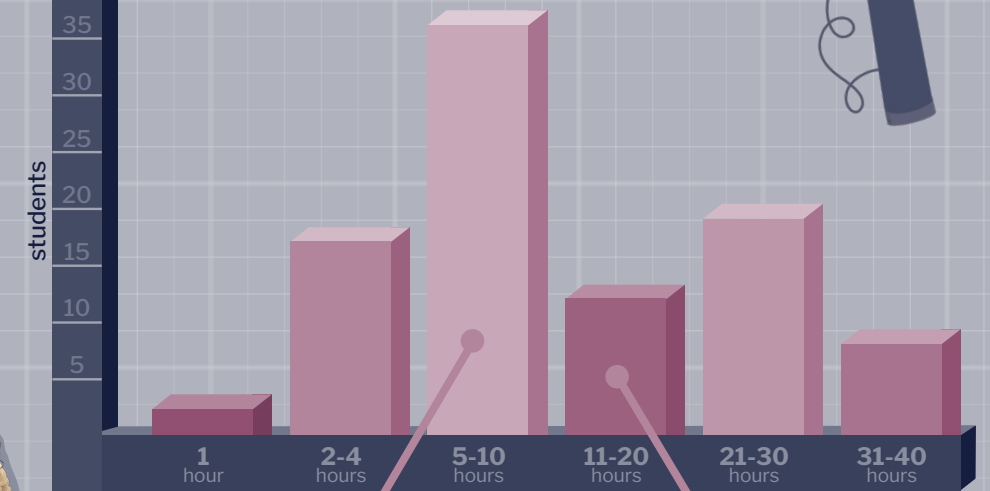

Kayla Wallace (10)

"I make little plushies, stuffed animals and decor. I had all these in my room and thought, 'Maybe I could start selling them.' I price my products based on size and how long it took me."

Clocking in

The amount of time students work in a week

Bennett Hershey (9)
Lawncare
"When I'm mowing lawns, I work about 2-3 hours a day for a couple days. It gives me time to clear [my] head. I enjoy the work."

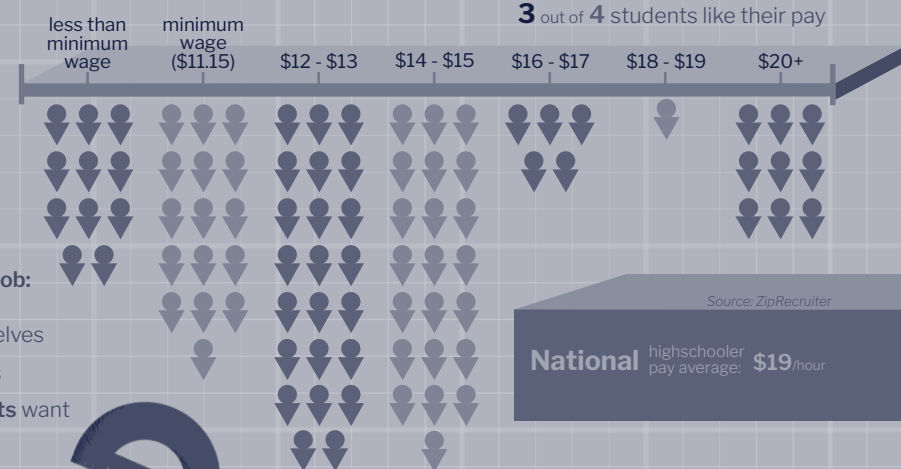

Sasha Opachevsky (11)
Waterway
"I worked around 15 hours a week. I like my job, unless the weather is bad. The tips definitely make it worth it and I'm happy with my job."

Pay day

Percent of students with and without a job and their level of pay

Students with a paid job

Hourly salary and amount of people paid that wage

Top 2 reasons why students have a job:

- to financially support themselves and buy non-necessity goods
- because their parents want them to have a job

National highschooler pay average: \$19/hour
