With all of the new restaurants opening on campus, students have a wider variety of food to choose from. Although trendy new dining options are all the rave across campus, there are some signature dishes that never go out of style and will always remain popular among students.

The following are the most frequently ordered food from various locations on campus.

1. STARBUCKS REFRESHERS

Because of extreme Miami heat, students like to cool off with Starbucks Refreshers. There are more than 10 for students to cool off with.

2. VICKY CAFE TOSTADA

For a quick and easy breakfast option with Miami flare, many students choose tostada from Vicky Cafe as their breakfast

3. SMOOTHIE KING DRINKS

As a healthy dining option, students choose to personalize their own smoothie drinks, from sweet treats to healthy veggie ingredients

4. NO-YES FRIES AT THE RAT

At one of the most popular dining locations on campus, The Rat, students treat themselves to a plate of fries with cheese, bacon and ranch

MAKE IT YOU The signature plate at Panda Express is ordered by dozens of students every day. The plate features the option to choose your own base and two sides, allowing each student to put together a unique dish that caters to their likes and dislikes. *Photo by Desiree Prieto*
