

## What do you do before or after a game?

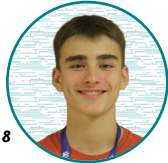

"I go talk to my family and then try to help out with chains for the A team game."

**- Jackson Ingalls<sup>8</sup>**

"[After a game] I go find my parents to talk to them for a few minutes to ask them for feedback, what I did right or what I needed to improve on."

**- Robert Meals<sup>8</sup>**

"After games, I celebrate with my family and friends and then I celebrate with my teammates."

Players tell the most memorable part of each game

### CANYON VISTA

"We were down a touchdown. I threw the ball to Audric Williams and he caught it for a touchdown. That's when we all started to breathe and relax."

**- Dylan Snoga<sup>8</sup>**

### HOPEWELL

"I was lining up for the third play. It was a really high snap and the Hopewell quarterback was running all over the place. I got around my block and I was about to tackle him when he threw the ball. Brandon Zeltman intercepted it, tripped right as he caught it, but it was worth it because we scored off of that drive."

**- Hunter Sellers<sup>8</sup>**

### CEDAR VALLEY

"It was one of our toughest opponents because they are overall a really skilled team. As soon as the game started one of the Jag players got hit really hard and we knew it was in bag."

**- Reece Kessler<sup>8</sup>**

### WALSH

"So, basically, I hate Baker (the Walsh quarterback). We have a mutual grudge against each other. It was the last play of the game, Baker got the snap, he dropped back and he threw the ball into the night sky and I picked it off. I ran it back to the 50 yard line and the Coach Mertz pancaked me."

**- Carter Copeland<sup>8</sup>**

### DEERPARK

"I play defense and we didn't allow them to score at all. It showed us that we were better, because at time Deerpark was undefeated."

**- William Neese<sup>8</sup>**

### CANYON VISTA

"This game was uneventful. We had already beaten them before like 44-0, so while we were mindful of trying our best, we were confident because we had already proven ourselves."

**- Ryan Adams<sup>8</sup>**

### CD FULKES

"I only played on A team for one quarter, but during that time, I got a 20 yard rushing play. We eventually got to the one yard line and I almost scored but they kept tackling me. But then Powers Wallis got a touchdown."
