Her | digital art

Sorrow | digital art

Brazen | digital art

Dance! | digital art

Head over Heels | digital art

Violet Young is a senior at Briarcliff High School who loves yoga, hiking and music. Art has always been an important creative outlet for her, and she enjoys expressing herself through unique designs and color pallets. Her works are often figure drawings as she finds peace and freedom in the study of human forms. She plans on continuing her work with a combined major of business and design, hoping to bring her creativity to the corporate world.
