Ivhs Viking Classic literature can bring a groan from high school students when announced by a teacher for novel study. Typically long and wordy, classic books are often hard to get through. Is it finally time for more progressive choices to surpass the old? Or should the classics still be a staple of English classes?

Visit the link in our bio to read more about faculty's takes on classic literature and required reading.

Ivhsviking New year, new movies!

As we transition from 2022 to 2023, we have much to expect in the world of film. From sequels such as "Dune: Part Two" and "Fast X," to brand new creations such as "Renfield" and "Super Mario Bros," 2023 has already shown lots of promise for new movies.

Visit the link in our bio to read more about the most highly anticipated films of the year.

Ivhsviking On Feb. 8, the cafeteria received all new seating for its students. Replacing the old, standard long tables, this new seating is much more dynamic, with circular tables and high top bars in a sleek, modern design. But this sudden change may lead students to ask, "Why the makeover?"

Visit the link in our bio to read more about what sparked the sudden change and students' reactions to the fresh layout.

NATURAL DISASTERS:

DO YOU HAVE A PLAN?

BY EMMA VANN

Ivhsviking On February 6, Turkey and Syria experienced a 7.8 magnitude earthquake resulting in a death toll of 33,000, claiming the title of one of the worst natural disasters in history.

Although far away, the disaster made students who had read about the event reconsider their own emergency plans close to home.

Visit the link in our bio to read more about emergency preparedness and what you can do to stay safe.

LCPS'S BELL SCHEDULE IS A COLOSSAL MESS—
BUT IT DOESN'T HAVE TO BE

thevikingnews.com

Ivhsviking The bell rings, and a flood of students rush out the doors of Loudoun Valley High School. With the school day complete, it's time for sports, work, homework, relaxation and fun, but something's not right: the clock is already chipping away at the evening and the sun has long begun to set.

Visit the link in our bio to read more about our Editorial Board's issues with the 4:20 dismissal—and it's solutions.

Ivhsviking An opportunity to go to Ecuador and the Galapagos Islands has emerged for students enrolled in Spanish. Spanish teachers Elizabeth Stickely and Erin Boldin are organizing the trip, which isn't sponsored or endorsed by Valley, through a company called Education First. This company, better known as EF, specializes in educational trips.

Visit the link in our bio to hear from Valley's travel-bound students and to learn more about the exciting opportunity offered by the Spanish department.
