

## BEST OF CAMPUS EVENT

The Best of Campus Event give's students a chance to voice their opinions about activities on and around campus by voting for their favorite bars, restaurants, housing companies, athletes, professors and more. There are two phases to the event, the nomination and voting period which spans over 3 months. It gives businesses a reasonable amount of time to promote themselves and it gives students plenty of time to vote.

The event has attracted more and more students each year. This year we had over 800 students attend the event. We also sold more booth space and had more sponsorships than we've had over the last several years. The total revenue for this event was \$36,000, which ended up being \$8000 over prior year budget.

# Student Choice Awards SPONSOR RATES

From April 10 to May 1, University of Oregon students will vote for their favorite businesses. Winners will be announced in the May 8 issue of the Emerald.
