Sun rays glisten
On crystal clear
waters.
Serenity. Palm trees waver
While a warm breeze peacefully hums all day long.

Tree-lined streets
standing tall, surrounding
beautiful
family homes. Ducks and geese
flock and swim down the waterways

Like a village
Quiet action around
Protected
We shall stay
A peaceful ground

33133 *Sasha Balline*

Tall palm trees
Hot, humid air
Lots
Of smiling faces
Surrounded by love
