

QUIZ

WHAT'S YOUR SOUND VIBE?

Take this quiz to find out which KCPR daypart fits YOUR personality!

by Haley Ellis and Emily Tobiason

We organize our DJ shows on **KCPR 91.3** into four dayparts: **The Breakfast Club** for mornings, **Afternoon Delight** for afternoons, **The Comedown** for evenings, and **The Lounge** for nights. Each daypart offers a unique vibe to match the mood of that time of day. Find your perfect match below!

ANSWERS:

1.

You're The Lounge! Immerse yourself in cutting-edge electronica and hip-hop provided after dusk with **The Lounge**. Okay, you're cool. **Mysterious** and **creative**, you manage to fit in while standing out. You're **soulful** and **deep**, and you can always make people laugh. You've got a **big heart** that's only opened when your intuition approves. Your unique style and fearlessness attract the eyes of others, inspiring introspection and boldness. 2.

You're The Comedown! Perfect for your drive home from work or walk home from class and to ease you into the night. **Eclectic. Artistic. Fiery**. Like The Comedown's sound, you're **grungy yet poetic, intense but thoughtful**. You're hard on the outside and soft on the inside. You speak your mind in sometimes harsh ways, but that's only because you're driven by **passion** and **honesty**. You find healing in art and connection, human or other. Listen to your inner being with **KCPR's The Comedown playlist on Spotify**.

3.

You're the Afternoon Delight! A delightful accompaniment to your midday routine, the **Afternoon Delight** serves as a pick-me-up with upbeat tunes. We see you. **Innately adventurous** and **warm**, you're the kind of friend who's down to do anything. You run on Yerba Mates and the rush that comes from wearing flip flops in the winter. You're **bubbly in nature** and **curious** about all things. You can **adapt** to many different situations and social settings, so you'll always have a story to tell. 4.

You're the Breakfast Club! The most important meal of the day. **The Breakfast Club** sets your morning mood with mellow folk, R&B and indie rock. Mellow by nature, you enjoy the simple pleasures in life. You **radiate calming energy**, like the sound of birds chirping and the smell of a warm cup of coffee in the morning. You may be on the quieter side, but it's because you speak only with **conviction**. People admire your **strong sense of self**, observation skills and loyalty.
