UM's cost increased

13.97%

in the last year

Harvard

is \$9,000 less than UM

Columbia

is \$2,500 less than UM

NYU

is \$3,000 more than UM

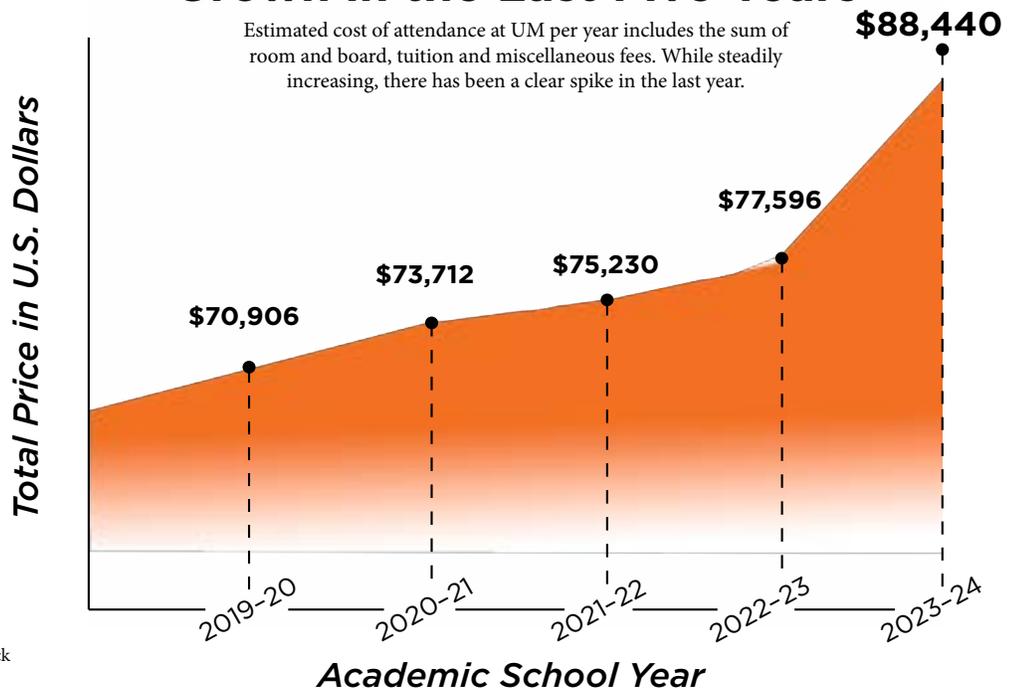

UM costs over
FSU's tuition
double

Cost of Attendance in 2023-24

\$39,692	Florida State University
\$79,054	Emory University
\$79,450	Harvard University
\$85,967	Columbia University
\$86,000	Tulane University
\$88,440	University of Miami
\$90,222	New York University
\$90,921	University of Southern California
\$91,290	Northwestern University

How UM Cost of Attendance Has Grown in the Last Five Years

Estimated cost of attendance at UM per year includes the sum of room and board, tuition and miscellaneous fees. While steadily increasing, there has been a clear spike in the last year.

What's included?

The cost of attendance is a hefty sum of fees. Most of it comes from tuition, room and board, and miscellaneous fees. But what are these "miscellaneous fees?" Some of the funds maintain campus facilities, such as the Shalala Student Center, Lakeside Village and the Herbert Wellness Center, while others finance student organizations — including our magazine. The athletics department also relies on these funds for operational purposes. We might hate paying them, but miscellaneous fees give life to the U.
