EDUCATION

Fullerton College

2026

Associate of Arts in Journalism and Global Studies

PROFESSIONAL EXPERIENCE

Journalism Association of Community Colleges

March 2025 – Present

SoCal Regional Vice President

- Served as the student president's representative to Southern California community college newsrooms, and represented that same region to the JACC Board of Directors
- Worked with regional faculty to organize workshops and conferences, including the JACC conference held every Fall.

The Hornet Newspaper

August 2024 – Present

Editor-in-Chief

- Oversaw the editorial process for all content published on The Hornet, Fullerton College's student-run news publication.
- Monitored various desks across different topics including news, arts, sports, and more to ensure factual accuracy and journalistic standards.
- Led a vibrant newsroom of ambitious reporters, offering guidance throughout their efforts to provide vital and groundbreaking storytelling.

The Hornet Newspaper

January 2024 – May, 2024

Staff Reporter

- Produced engaging articles and photo galleries on various topics including local news, politics, arts and culture, and more.
- Conducted interviews with important figures on campus and in the community, along with students and faculty, to gather accurate information.
- Managed tight deadlines to ensure content could be edited and fact-checked, all while adhering to AP Style guidance.

PROJECTS AND AWARDS

2024 Election Coverage

November 2024

- In collaboration with the Fullerton Observer newspaper and Hornet Radio, the student radio station overseen by the journalism program, The Hornet conducted video interviews with candidates running in local elections. Candidates interviewed ran for positions spanning from city council to the House of Representatives.
- Recognized by the California College Media Association for first place in "Election Special Issue" and first place in "Social Media Reporting"

VOLUNTEERING

Placentia Library Literacy Tutoring

January 2024 – Present

- Developed individualized learning plans focused on comprehension, writing skills, and conversational English for learners of varying proficiency levels.
