We DiDn'T COME THiS FaR

We keep screaming when
the spirit throne opens.

We keep playing Roshambo
even when we don't have necklaces.

We have NEW teachers,
like Mrs. Chandler, Mrs. Whitkopp,
and Mr.McLean. We even have a
NEW schedule, with NEW flex
time and monthly character trait
assemblies. As our school
changes, we do too,
but we keep improving
and going...

We didn't
come this
FAR

just to
Come
THIS
FaR

Walsworth

We have a new principal Mr. Pelkie
and assistant Mrs. Bailey, and we are
**ready to
KEEP GOING**

We didn't survive
morning crowds in
the *commons*,
battle our classmates
in Mr. Miciak's *Kahoot*
games, step up our
creativity for a gum
ball from Mrs. Zollinger,
and work hard on
our Da Vinci projects

**JUST to COME
THIS FAR.**

Yes we have to deal with
CHANGE
it's middle school after all,
but its not **ONLY** about that. We all
learn and **GROW...**
and we always
will.

**JUST TO
CoMe
THiS FAR**
