

"My favorite class was **SCIENCE** because Ms. Allen was really **NICE** and we did a lot of **FUN** things."
- **BOYD COLLINS (7)**

"It's **IMPORTANT** to learn stuff in school because it **HELPS** you later in **LIFE**."
- **ANNABELLE WAGNER (8)**

MAYBE
it's TOO MUCH
academics/student life

RAISING EXPECTATIONS.
Jothishan Willis (7) shoots his hand up to answer a question in Mrs. Duncan's science class. The lab was to write specific directions on how to make a PB&J. "I liked the peanut butter and jelly lab because it was funny how no one got the instructions right," Willis said.
