students share their go-to drinks

VIKING PUNCH MONSTER

"Viking berry punch is my favorite because it gives this fun exciting taste and different from anything I've ever had."

Emma Davis, 10

SWEET TEA

"Sweet tea goes with any meal you want to eat. McDonald's probably puts something good in their tea that isn't good for your body."

Jenaveve Williams, 9

CHERRY LIMEADE

"When I was little, my dad used to get them all the time and gave that love to me. They remind me of those times."

Stella Mallow, 9

ICED PUMPKIN CREAM CHAI

"It tastes like fall. It is so cozy and the chai flavor isn't too strong. It's also way less pumpkiny than the other pumpkin drinks."

Breckin Collins, 10

BLACK COFFEE

"There is just something about the feeling of bringing a cup of coffee to school; you feel the warmth in your hand on a cold day, and you can just sip on it throughout the day."

Levi Marselus, 11

SUGAR FREE RED BULL

"Sugar free Red Bull is the best. It gives me the energy I need without the sugar crash."

Muse McElwain, 9

DIET COKE AND LIME

"Diet Coke and lime is my favorite drink because the sourness of the lime makes it so much better."

Kyla Kaufman, 12

ICED VANILLA BERRY RED BULL

"Iced Vanilla Berry is one of the best flavors of Red Bulls. It has a sweet candy like taste which makes a sweet drink in the morning."

Lili Jimenez, 9
