

THE FINAL  
STRAW

As the global climate crisis worsens, social pressure motivates students to make environmentally conscious decisions, but some may lose sight of what’s at stake

INSIDE THIS ISSUE

NTA without contract

2

As contract negotiations stall, teacher union rallies and plans to remain silent during staff meetings to protest

Plays undervalued

10

Shakespeare is out of touch; plays deserve the same diversification as books in the classroom

Student Filmmakers

15

Students draw inspiration from social issues in the community to produce original content
