

ALL EYES ON GA

A brief guide to the significance behind Georgia's runoff elections and the schematics behind them

The Senate Now

5M Georgian voters are expected to decide the fate of Congress.

The Candidates

Regular Elections

Special Elections

vs.

vs.

Jon Ossoff

David Purdue

Raphael Warnock

Kelly Loeffler

- Supports economic policy that supports families and enterprises
- Will reduce foreign dependence by strengthening domestic chains
- Supports Paris Climate Accords, clean energy sources, and strict toxic control

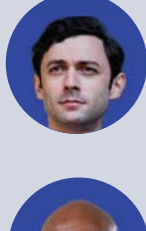

- Supports financial relief to corporations and small businesses affected by COVID-19
- Will remove international trade barriers such as tariffs and quotas
- Doesn't support renewable energy development or greenhouse gas emission regulation

- Will extend public transportation and invest in green infrastructure and clean water
- Supports lower education costs and student loan forgiveness programs and nutritional programs
- No tax increases for all Georgians to balance budget.

- Supports Pres. Trump in pushing infrastructure plans, including I-85 and GA airports
- Supports school choice for low-income children through her proposal "Choice for Every Child"
- Reduce national spending to help decrease debt.

Possible Outcomes

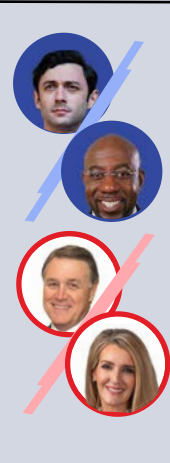

BOTH BLUE

VP-Elect Kamala Harris will preside as Head of Senate. The Dems will have control of both Congress and the White House.

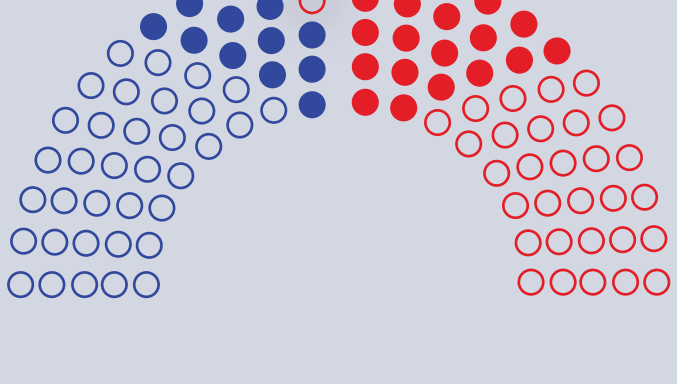

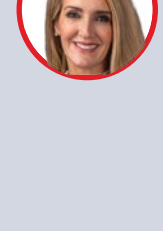

BLUE & RED

There will be a GOP Majority in the Senate, but Dems will still be able to have control of both the House and the presidency.

BOTH RED

There will also be Senate GOP majority in this case, but the lead will be greater than the Dems by two senators.
