STUDENT MEDIA AT BOISE STATE UNIVERSITY
Meet Anna, one of our Advertising and Sales manager here at Student Media. Anna is a Marketing Major with a minor in finance. The most rewarding aspect about working at Student Media is the community relationships and communication skills she has developed while working with business professionals. Anna’s main goal this academic school year is to increase the amount of community based partnerships Student Media works with, as well as to continue to develop past professional relationships!

Meet Katherine, one of our advertising and sales consultants. Katherine is currently studying communication with an emphasis in public relations. She enjoys campaign planning and creating social media content to reach a specific audience. Aside from that, she is excited to collaborate with the sales and advertising staff in hopes to reach out and learn about local businesses.

Meet Jen, one of our Advertising and Sales Consultants. Jen is currently pursuing a degree in Marketing with a minor in American Sign Language. She loves communicating and being around others, so she is eager to create personalized advertisements with business professionals. Her goal for this school year is to reach out to local businesses that do not yet have a partnership with Student Media and to help develop and maintain them from scratch.
