For this social media campaign Mustang Media Group partnered with Cal Poly Athletics and PG+E to encourage more students to sign up to take the pledge to recycle. Posts were scheduled on Instagram, Facebook and Twitter at peak times for each of those social channels. They were also scheduled to give the widest audience range possible of not only students but alums and parents as well. The campaign was a success and helped lead to an estimated reduction of over 3600 pounds of plastic waste.
