Experience

Editor in Chief | The Hornet Newspaper | August 2022 – Present

As EIC, I oversee all of the newspaper's daily operations. I have my hands on every story produced from editing to sometimes photography. During JACC this semester, my newspaper received multiple awards under my tenure.

Staff Writer | The Hornet Newspaper | January 2022 – July 2022

During my time as a staff writer at The Hornet Newspaper, I focused primarily on the sports desk, but I picked up assignments on every desk. I helped create two new series for the local desk section and kept it updated with stories published. I worked on an investigative story that was submitted into a journalism award conference.

Editor/Staff Writer | AfroLA News | January 2023 – Present

Through fall 2022 JACC, I received a paid internship opportunity with AfroLA News, a new non-profit newsroom that views greater Los Angeles through the lens of the Black community.

Rota-scribe | Fullerton Rotary Club | May 2022 – Present

Official scribe for the Fullerton Rotary Club.
