ANSWERS:

1. You’re The Lounge! Immerse yourself in cutting-edge electronica and hip-hop provided after dusk with The Lounge. Okay, you’re cool. Mysterious and creative, you manage to fit in while standing out. You’re soulful and deep, and you can always make people laugh. You’ve got a big heart that’s only opened when your intuition approves. Your unique style and fearlessness attract the eyes of others, inspiring introspection and boldness. Find your soul’s sound with KCPR’s The Lounge playlist on Spotify.

2. You’re The Comedown! Perfect for your drive home from work or walk home from class and to ease you into the night. Eclectic, Artistic, Fiery. Like The Comedown’s sound, you’re grungy yet poetic, intense but thoughtful. You’re hard on the outside and soft on the inside. You speak your mind in sometimes harsh ways, but that’s only because you’re driven by passion and honesty. You find healing in art and connection, human or other. Listen to your inner being with KCPR’s The Comedown playlist on Spotify.

3. You’re the Afternoon Delight! A delightful accompaniment to your midday routine, the Afternoon Delight serves as a pick-me-up with upbeat tunes. We see you. Innately adventurous and warm, you’re the kind of friend who does anything. You run on yerba Mate and the rush that comes from wearing flip flops in the winter. You’re bubbly in nature and curious about all things. You can adapt to many different situations and social settings, so you’ll always have a story to tell. Meet your match with KCPR’s Afternoon Delight playlist on Spotify.

4. You’re the Breakfast Club! The most important meal of the day. The Breakfast Club sets your morning mood with mellow folk, R&B and indie rock. Mellow by nature, you enjoy the simple pleasures in life. You radiate calming energy, like the sound of birds chirping and the smell of a warm cup of coffee in the morning. You may be on the quieter side, but it’s because you speak only with conviction. People admire your strong sense of self, observation skills and loyalty.
