WHAT IS INDIE?

“I feel like you don’t have to fit a certain gender to dress indie. Anyone can, it’s just a lot of sweaters, usually converse.”
Marisa Biener, 10

“Really it’s just using your own creative liberties and not letting anyone else dictate your preference.”
Erik Fabian, 9

“It’s being yourself and not just fitting a norm. Recognizing who you are. I think that’s what indie means to me.”
Katie Gaynor, 9

“I can relate to their lyrics on a personal level.”
Leo Swaney, 9

“The music is very calming and not in-your-face type music.”
Rylan Trotter, 9

“A lot of Jhariah’s strength comes from both the uniqueness of their music and also the lyrics.”
Scar Mulka, 9

THE NEIGHBORHOOD

A mix of “pop, alternative and grunge.”
“The music is very calming and not in-your-face type music.”
Rylan Trotter, 9
